CASE NO. A-0501

DECISION NO. 84-51

ORDER DENYING PETITION
FOR REHEARING

On May 9, 1984, PELRB granted Coos County's (County) motion to dismiss a complaint filed by the American Federation of State, County and Municipal Employees, AFL-CIO (AFSCME) alleging unfair labor practice in denying AFSCME equal access and equal time to speak to the employees of the County Nursing Home in an organizing effort.

On May 24, 1984, AFSCME filed a motion for rehearing on the belief that the dismissal of the charges was based on statements made during consideration of the motion to dismiss, rather than from consideration of the facts presented in the unfair labor practice charge.

The granting of rehearings being a discretionary matter, PELRB in its review of the case determined that all information was presented at the April 19th hearing in the Board's office, therefore

PELRB ORDERS that the motion for rehearing be, and hereby is, denied.

ROBERT E. CRAIG, Chairman

Signed this 11th day of May, 1984
